RAILWAYS.

Notice dated 5th October 1918.

The public are hereby informed that owing to the abnormal conditions that exist a present, it will not be possible this year to provide as much accommodation as was provided during past years for the passengers going to Mysore for Dasara. It is probable that in addition to the regular passenger train service on the Mysore-Bangalore section not more than two extra passenger trains can be run each way daily during the Dasara festivities.

As the accommodation in these trains will be limited there is every possibility, if passengers offer in larger numbers than the trains can accommodate, that they will suffer great inconvenience and disappointment.

Further the intending passengers are advised to have the accommodation booked as much in advance as possible to save any disappointment.

By Order,
D. G. DANI,
Secretary for Railways, Government of Mysore.
